

Being different, Belonging Together in the family of God

Attendance & Punctuality Policy

St Mary and St Joseph's
RC Primary School

St. Mary & St. Joseph's
R.C. Primary School

Statement of Intent

At St Mary and St Joseph's RC Primary School, our vision is that we become the best for God that we can be, in all we do, whilst demonstrating Catholic values which are pertinent to all faiths. This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out by the Department for Education (DFE) statutory guidance on Working together to Improve attendance.

St Mary and St Joseph's RC Primary School seeks to ensure that all its pupils receive their entitlement of a full-time education in order for each pupil to achieve their true potential. We recognise that poor attendance can result in lower attainment, and can impact on the personal, social and emotional development of pupils. Therefore, we strive to provide a welcoming and caring environment in which each member of the school community feels wanted and safe. Staff at St Mary and St Joseph's will work alongside family members, and their children, to ensure that pupils at our school want to come to school every day and on time.

1. Aims

Through our whole school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Developing a whole school culture and ethos with regard to promoting good attendance and punctuality
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

- Call the school to report their child's absence before 8:30am on the day of the absence, or when reasonably possible, and each subsequent day of absence, and advise when they are expected to return

When the final stage of the attendance escalation plan has been reached, it is the responsibility of the inclusion officer to utilise legal powers to enforce school attendance.

4 Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The reason for illness
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8:55am on each school day. The register for the first session will be taken at 8:45am and will be kept open until 8:55am. The register for the second session will be taken at 1:00pm and will be kept open until 1:10pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8:30am or as soon as practically possible by calling the school office (see also section 7).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness. If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary, and parents must sign their children out of school and when they return, sign them back in.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives after 8:55am will be marked as late, using the appropriate code. Pupils who arrive after 9:15am will be marked as an unauthorised late arrival. A pupil who arrives after 8:55am is required to use the sign-in system at the school office before going to class. The office staff will regularly monitor punctuality and conduct phone calls when appropriate. The School Business Manager will also analyse data termly in relation to children who are persistently late and, alongside the designated Senior Leader for attendance, they will address any on-going issues.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call/ text the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the absence will be unauthorised and school will monitor in the subsequent days
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call/ text the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider conducting a home visit and will post a door-step letter asking parents to contact school. Where school have been unsuccessful in ascertaining the whereabouts of a child, the police may be contacted and a welfare check requested.
- For vulnerable pupils, home visits will be conducted by the safeguarding team on the first day. During the home visit, they will observe anything suspicious, or a cause for concern. If deemed appropriate, these concerns will be passed onto external agencies for support.

Children Missing from Education (CME)

In accordance with Keeping Children Safe in Education 2023, all staff are aware that if children go missing, this can be a warning sign of a range of safeguarding possibilities. St Mary and St Joseph's RC Primary School knows that early intervention is key to identifying any risk and to prevent the risk of a child going missing in the future.

School are updated annually on the procedures which are to be taken in the case of a Child Missing in Education. School are required to inform the local authority about the details of:

- All children who are believed to have moved out of the Blackburn with Darwen (BwD) geographical area after the school has undertaken reasonable enquiries (to be completed within 10 school days) and the child's whereabouts have still not been confirmed.
- Children who have been absent without the school's permission for a continued period of 10 days

- Children who have failed to return to school for 10 days beyond the expected return date following a leave of absence period
- Children who have relocated abroad
- All Gypsy Romany Traveller children who school believes have gone travelling without securing prior agreement and/or confirming a return date
- Children who are withdrawn from school, but parents are unwilling or unable to say where or how their child will continue to be educated.

In a case of CME, the school needs to make reasonable enquires and the Attendance Team must:

- Obtain as much information as possible from parents before relocation
- Maintain contact with parents following relocation
- Confirm admission with the receiving school
- Make a home visit if possible
- Make general enquiries amongst friendship groups
- Establish contact with all named people on the child's record.

Relevant CME forms will be completed and sent to the Inclusion and Place Planning Team.

Circumstances when a CME notification is not required:

- Those children who move out of the BwD are and their whereabouts has been confirmed – these children will be reported to the Local Authority using a 'Deletion from School Roll Notification' form
- In 'truancy' cases where a child's unauthorized absence has already been formally referred to the Inclusion Officer
- Children with long-term medical or mental health needs whose absence has been verified by a health professional.

4.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels via:

- Half-termly attendance reports
- letters for attendance that meet threshold/ trigger points (see escalation plan)
- letters/texts when attendance has improved;
- informal and formal meetings when a child's attendance continues to drop.

5 Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the

headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. It should be noted that authorised absences also affect a child's overall attendance.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** may include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail) although we strongly encourage that these are made outside of the school day
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

If a family decides to take Discretionary Leave of Absence without authorisation and the child does not return to school by the 21st day, the child may be removed from roll.

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The threshold at which a penalty notice must be considered is set at 10 sessions (equivalent to 5 days) of unauthorised absence within a rolling 10-school week period. This may include absences as a result of arriving late after the register closes. The 10 school weeks may span different terms or school years.
- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason.

- A second penalty notice issued to the same parent, for the same child, within a rolling 3-year period will be issued at the rate of £160 to be paid within 28 days, with no option for a discounted rate.
- A maximum of 2 penalty notices may be issued to a parent for the same child within a rolling 3-year period, so at the 3rd (or subsequent) offence(s) another course of action will need to be considered (such as prosecution or one of the other attendance legal interventions).

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Education Supervision Order

An education supervision order (ESO) is a formal legal intervention once all voluntary support has been exhausted. ESOs are made through the Family or High Court. They give the local authority a formal role in advising, helping and directing the pupil and parent(s) to ensure the pupil receives an efficient, full-time, suitable education. For the duration of the ESO, the parent's duties to secure the child's education and regular attendance are superseded by a duty to comply with any directions given by the local authority under the ESO.

Education supervision orders initially last for one year. The local authority will notify parents in writing of the intention to proceed to an ESO, and will set up a meeting to discuss it with the parent. Where parents persistently fail to comply with the directions given under the ESO, they may be guilty of an offence. Local authorities can prosecute in the Magistrates Court for persistent non-compliance with the Order and parents (upon conviction) will be liable to a fine of up to £1,000.

Strategies for promoting attendance

We actively encourage and promote good attendance throughout school. We treat attendance as everyone's responsibility. Some of the strategies we use for rewarding and improving attendance include:

- Celebrating class weekly attendance winners during celebration worship. The winners receive a trophy for the week and the news is shared on the school newsletter, Class Dojo and attendance display.
- Sharing weekly attendance on the school newsletter
- Having a clear display for attendance in the hall celebrating good attendance
- Leaders meet and greet children in the yard at the start of the day, and teachers meet and greet children at classroom doors. We do this to ensure that all children get a positive interaction at the start of the day.
- Planning engaging lessons, and ensuring there are many wider opportunities planned for the children such as a range of trips and visits, special themed days in school and outside agencies such as Rocksteady.

- Rewarding termly winners of the best attendance with a class party.
- Rewarding children with 100% attendance each term.
- Rewarding children with 100% attendance at the end of the year.
- Holding special days to celebrate attendance
- Holding parent workshops regarding attendance to ensure that we all work together to improve attendance
- Encouraging pupils and parents through messages on class dojo/ conversations
- Sending well done messages/letters when attendance improves.

6 Attendance monitoring

7.1 Monitoring attendance

The school will:

- Monitor the attendance and absence data weekly at a class and school level.
- Monitor attendance and absence data half-termly, termly and yearly at an individual pupil level, and group level (Pupil Premium, SEND, Boys, Girls)
- Conduct daily/ weekly/ fortnightly/ or monthly checks as appropriate on a pupil who is causing concern and has been escalated.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- Extract regular attendance reports to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

Please see the Attendance Intervention Escalation Plan for the procedures for dealing with poor attendance (appendix 2)

7 Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and annually by the Senior Leader with responsibility for Attendance.

SCHOOL ATTENDANCE – Be an Attendance HERO!

To the parent/carer of **x**,

Our Attendance HERO Team monitors school attendance and punctuality daily, as your child's learning and well-being is at the heart of everything we do. We believe that working together with parents/carers is the best way to result in positive attendance outcomes for our children and ask that you support us with ensuring your child regularly attends and is on time.

Regular attendance at school is essential to ensure uninterrupted progress and to enable children to reach their potential. The attendance pattern for all children is monitored daily and the school seek to work actively with parents to ensure a regular pattern is maintained.

The Department for Education has published data on their website that clearly shows the link between attendance and attainment. This shows that there will be an impact on your child's education if attendance is not consistently above 96% (no more than 8 days or 16 sessions missed) throughout a pupil's schooling.

We cannot be complacent where there are instances of persistently low attendance, or if children are regularly late to school. Attendance in school is a high priority.

We have noticed that your child has missed **x number of sessions which is the same as **x days**.**

We will therefore be monitoring your child's attendance closely. Should your child's attendance continue to drop, we will write to you again and invite you in for a meeting.

We appreciate your support with improving your child's attendance and if we can help in any way by offering you any support, please do not hesitate to contact Mrs. Pamuk.

Kind Regards,

The Attendance Team.

'Be an attendance HERO (Here Everyday Ready and On time)'

The Attendance HERO Team wrote to you informing you that your child's attendance was being monitored as it was a concern.

Furthermore, we invited you to a meeting on _____ to offer support and guidance on this issue, and to put an Individual Attendance Plan in place. As your child's attendance continued to drop, a follow up meeting was held on _____ to implement a parental contract and small targets were set to improve attendance.

You failed to attend/attended these meetings.

As a school, we have continued to monitor your child's attendance and are very concerned that their attendance has not improved and has continued to drop. **Your child has now missed xxx sessions which is xxx days.**

Due to this, the case will be referred to our Inclusion Officer, Emma Painter.

This letter serves as a reminder of your legal duty to ensure regular attendance at school. School will no longer authorise your child's absences and will require you to supply medical evidence.

Unauthorised absences can result in legal intervention which may consist of Education Supervision Orders, Educational Prosecution, Parenting Orders and a Fixed Penalty Notices.

If you have any questions, please do not hesitate to contact us at school, or please see below the Inclusion Officer's details:

Letter: Late letter

SCHOOL ATTENDANCE – Be an Attendance HERO!

To the parent/carer of **x**,

As part of our commitment to improving the attainment of our pupils we monitor pupil attendance on a regular basis. During our regular monitoring of pupil attendance we identify any pupil whose attendance causes concern, including those pupils who have arrived late to school on a number of occasions. We are therefore writing to you due to your child’s current number of late sessions:

Attendance	<current attendance> %
Number of late sessions	<current AA> %
Number of “unauthorised” lates	<current UA> %

Being late to school can have a considerable impact over the whole school year. The table below shows you just how much time can be missed over a year just by being 5 minutes late to school every day:

5 minutes late every day = 3 days of school lost a year
10 minutes late every day = 6.5 days of school lost a year
15 minutes late every day = 10 days of school lost a year
20 minutes late every day = 13 days of school lost a year
30 minutes late every day = 19 days of school lost a year

We understand that the school mornings can be hectic, but when your child is late for school they are missing out on vital parts of their education. If your child arrives 30 minutes after the register has been taken, they will have an “unauthorised” late mark – this is the same as an “unauthorised absence”.

If you have any queries or would like to talk to anyone about attendance and the support school can offer, please do not hesitate to contact Mrs Pamuk.

Kind Regards,

The Attendance Team.
