

A prayer for Friday's strength

Dear God, as I approach the end of this week, I seek Your strength. Help me to persevere through any difficulties I may face. I pray for the energy to finish my tasks and the courage to confront challenges head-on. Remind me that I am never alone, and Your strength is made perfect in my weakness. I ask for the resilience to bounce back from setbacks and the fortitude to keep pushing forward. Thank You for being my source of strength and for equipping me to face each day with confidence. Amen

BENNINGTON STREET

13 October 2025

Hi there,

We'll be improving your gas pipes from 03 November 2025 until 29 December 2025

Be prepared for interruptions to your gas supply during this period

We'll work as quickly and carefully as possible to make your pipes safer and greener. There will be some disruption. Here's what you need to know.

At your property

We'll need to come into your property to turn your gas off and on, on one or possibly two days, from around **8am until up to 8pm**. We'll let you know the exact date with an orange card through the door, 24-48 hours beforehand.

In your street

We'll be interrupting your gas supply to replace the gas pipes, so there will be some noise and there may be some parking restrictions and road closures. Our team will work hard to keep any disruption to a minimum.

Got a question or want an update?

Thank you for your patience whilst we improve your gas pipes.

When you cross the road remember:

THINK

Find the safest place to cross. Where possible, use a pedestrian crossing.

STOP

Stand on the pavement near the kerb and make sure that you can see the traffic.

LOOK AND LISTEN

Look all around you for traffic and be sure to listen carefully for things you can't see.

WAIT

Wait until it's safe to cross. If traffic is coming, let it pass. If you're not sure, don't cross.

LOOK AND LISTEN AGAIN

When it is safe, walk straight across the road. Don't run. Keep looking and listening.
